SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 1.33 acres of airport property at the Hutchinson Regional Airport

(HUT) under the provisions of 49 U.S.C. 47107(h)(2). The Airport Manager requested from the FAA that a 1.33 acre parcel of land be released for sale to Scott and Danielle Tajchman. The FAA determined the request to release and sell property at Hutchinson Regional Airport (HUT) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release and sale of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Hutchinson Regional Airport (HUT) is proposing the release and sale of a 1.33 acre parcel. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the release of land and surface rights at the Hutchinson Regional Airport (HUT) from the conditions of the AIP Grant Agreement Grant Assurances. In accordance with 49 U.S.C. section 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value and the property will be used by the adjacent land owner for personal use.

Any person may inspect, by appointment, the request in person at the FAA office listed above under FOR FURTHER INFORMATION CONTACT. In addition, any person may, request an appointment and inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Hutchinson Regional Airport.
